

Boyer Valley's Seamless Summer Option (SSO)

The Iowa Department of Education updated the COVID-19 Iowa Area Eligibility plan. The updated Iowa plan, allows school food authorities and sites who participated in the National School Lunch Program in SY 2020-2021 and experienced economic impacts of COVID-19 may elect to participate in the Seamless Summer Option for the SY21-22 school year. This plan, which Boyer Valley CSD participates in, enables **all** children under 18 to receive free breakfast and lunches through May, regardless of your income status. This does not include second meals or milks, al-a-carte items or milk only purchases.

If you have any questions please give Lori Malone at 712-643-2251 a call.
